About us

WE ARE EXPERIENCE IN STANDARD PROFESSIONAL SERVICES

- **Peer-to-peer transactions (also referred to as person-to-person transactions, P2P transactions, or P2P payments) are electronic money transfers made from one person to another through an intermediary, typically referred to as a P2P payment application. P2P payments can be sent and received via mobile device or any home computer with access to the Internet, offering a convenient alternative to traditional payment methods**

Peer to Peer (P2P) MLM is donation based platform. This will allow earning the money from the system. P2P MLM is extremely basic and a successful strategy in the MLM industry. It is an idea of giving money to the required person and gets the earnings. P2P MLM is given and gets earnings from each other.

TRON MAINAR CLASS aims to extend our business to the entire cryptocurrency industry chain in the future and serve global users with technology innovations.
